

STATEMENT OF PURPOSE

RS29422 / H0653

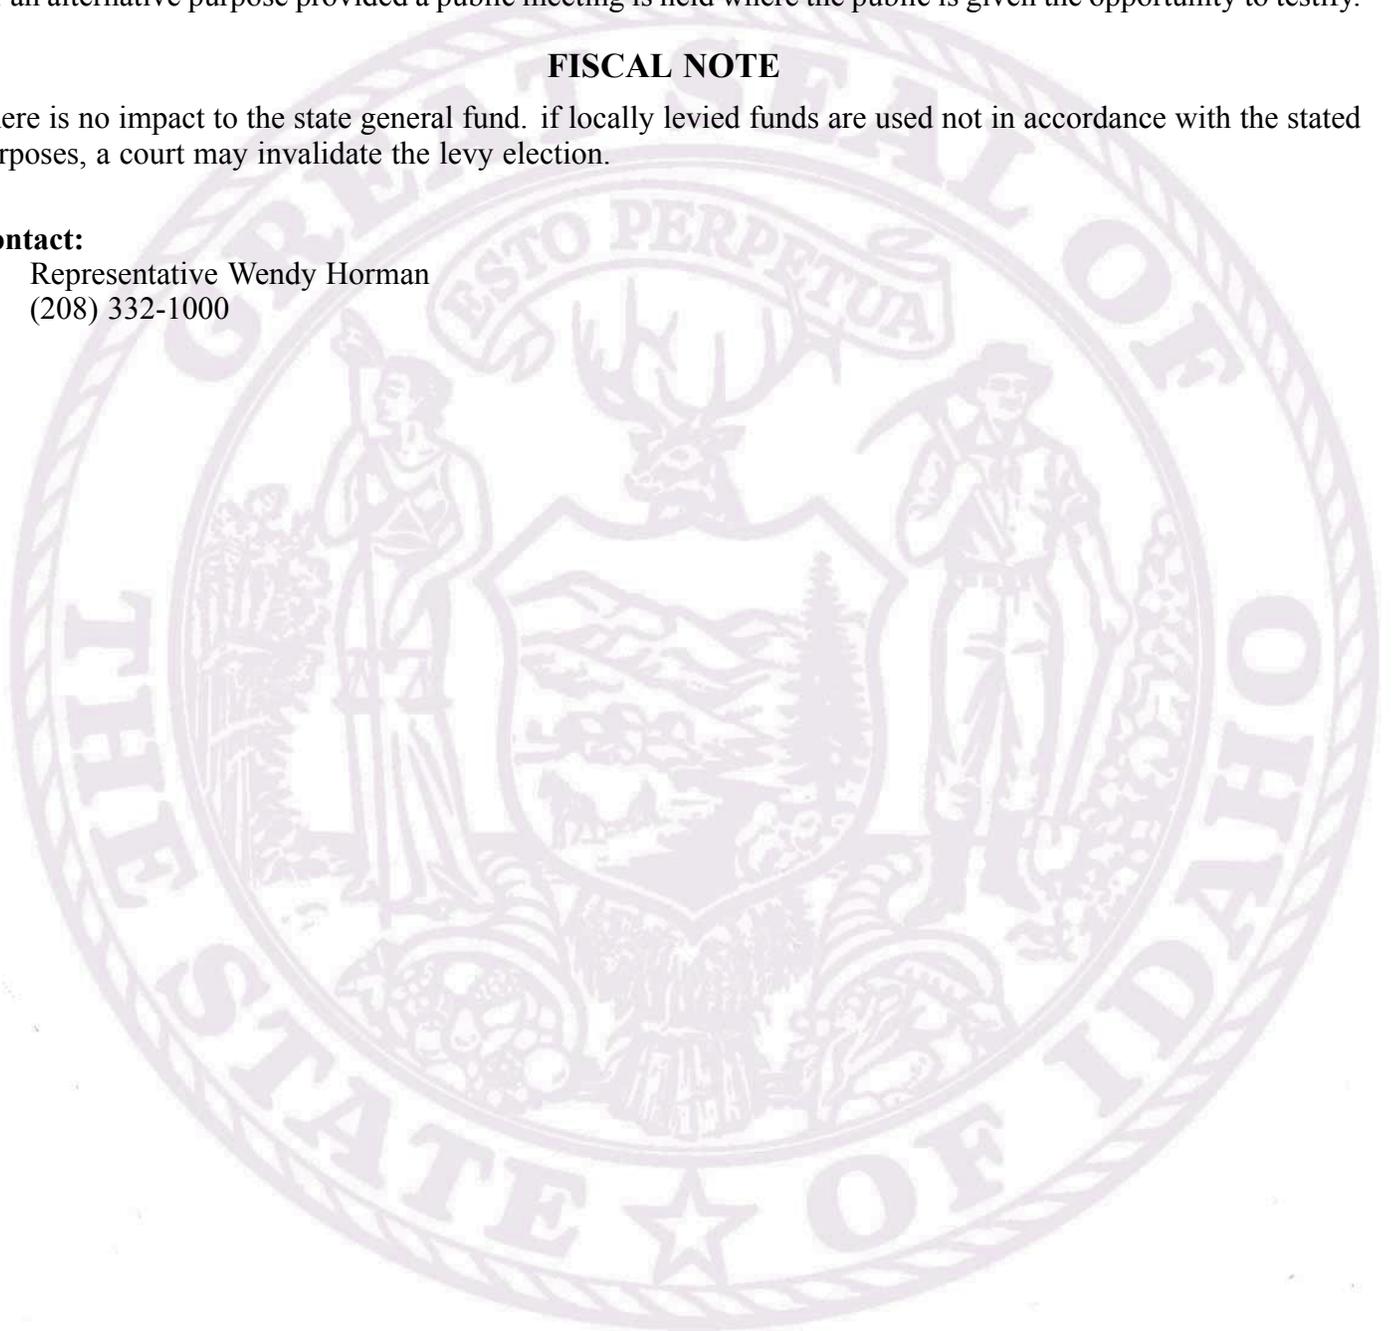

This bill requires school districts to disclose the purposes and amounts of levy funds to be used for each purpose when they ask voters to approve a supplemental levy. Such disclosure must be placed on the ballot above the ballot question and published annually. School districts may allocate up to 10% of levied property tax revenues for an alternative purpose provided a public meeting is held where the public is given the opportunity to testify.

FISCAL NOTE

There is no impact to the state general fund. If locally levied funds are used not in accordance with the stated purposes, a court may invalidate the levy election.
